ENERGY HORIZON:

EMERGING DYNAMICS IN OIL & GAS

EXHIBITOR AND SPONSOR PACKAGE

ENERGY HORIZON: EMERGING DYNAMICS IN OIL & GAS

Energy Horizon 2026 is the third installment in CEAS's signature oil and gas conference series, following *Energy Renaissance* (2024) and *Energy Evolution* (2025). Last year's conference grew by 40 percent and sold out, underscoring strong industry demand for a focused, senior-level forum. This year, the event moves to the 38th floor of the Grand Hyatt Denver, offering panoramic city and mountain views.

November 9 - 10, 2026

Grand Hyatt Denver

1750 Welton Str., Denver, CO 80202

ADDITIONAL INFORMATION

Why Attend:

- Engage with senior leaders and decision-makers across accounting, finance, operations, ESG, investment, and regulatory functions.
- Gain insight into the emerging dynamics reshaping oil and gas, including reporting and regulatory developments, capital markets and M&A activity, technology acceleration, ESG realities, and global market forces.
- Earn high-quality CPE credits through sessions led by experienced practitioners and industry experts.
- Network in an exclusive, executive-focused environment designed for substantive conversation rather than a crowded expo hall.
- Experience a premium venue that enhances engagement, visibility, and meaningful connection.

Who Should Attend:

- Senior assurance and audit professionals
- CPAs advising oil and gas companies
- Finance and accounting executives
- Senior financial leaders and legal experts
- Government and regulatory officials
- Tax and energy consultants serving the oil and gas sector

EXHIBITOR OPPORTUNITIES

\$4,500

Exhibitor Booth

Early Commitment Rate: **\$4,000** if reserved by August 31, 2026!

- Includes 1 full conference registration.
- 8' x 8' booth in a high-traffic networking area.
- Table, chairs, power, and wastebasket included.
- Listing in the conference program and on the website.

EXHIBITOR DETAILS

A limited number of exhibitor booths (about 10 total) are available and will be located in a high-traffic networking area. Booth selection will be on a first-come, first-served basis based on completed registration.

Each exhibitor booth includes space in a carpeted ballroom foyer with a skirted table, two chairs, and a wastebasket.

Following confirmed registration, exhibitors will receive an Exhibitor Service Packet with detailed information, including cargo transportation, move-in and move-out procedures, equipment rental options and pricing, and instructions for ordering electricity and internet services directly through the hotel. Set-up times and additional logistical details will be communicated closer to the event. Paid security is not provided; however, locked storage will be made available.

REGISTRATION & OTHER DETAILS

\$1,295

Early Bird

\$1,395

Standard

A room block has been reserved at the Grand Hyatt Denver at a discounted conference rate for Energy Horizon attendees. At this time, reservations can be made by contacting the hotel directly and indicating that you are part of the CEAS Energy Horizon Conference to receive the discounted rate.

A dedicated reservation link and the hotel cut-off date will be provided closer to the conference date.

We look forward to seeing you in Denver November 9-10, 2026!

Dr. Govind S. Iyer, Ph.D.
